Notes and Comments.

Do not neglect to elect delegates to Conference.

BROTHER H. S. Enslow reports one accession at Unionville, Ia.

Two valuable farms are offered for sale in this issue, by A. F. Smalley. See page 9.

THE Pennsylvania State Conference will be held in Johnstown, beginning October 8.

ANOTHER accession reported at Dunlaps, Indiana, by brother A. R. Bemerderfer.

THE work at Pittsburg, Pa., is moving along grandly. Three more accessions reported.

WE wish to call *special* attention to the article by Brother Miller on page 9. It is worthy of your serious consideration.

BROTHER Hall of Harrisonburg, Va., reports a successful revival meeting. Six have been added by baptism and one by relation.

THE congregation in Philadelphia, Pa., has elected brethren I. D. Bowman, Wm. Kolp and J. C. Cassel, delegates to National Conference.

THE new church at Marion, Indiana, was dedicated last Sabbath, August 4. Full particulars next week.

THE California State Conference has elected brother H. R. Holsinger delegate to the National Conference.

THE delegates from the Bethel, Ohio church to National Conference, are brethren C. E. Deffenbaugh and J. D. Findley.

THE church at Hamlin, Kansas has chosen brother J. D. McFaden of Carleton, Neb., to represent them at National Conference.

THREE accessions at Lanark, Ill., Sabbath morning, July 28. Two of these were son and daughter of our departed Brother Herrington.

WE are pleased to learn that the churches everywhere are electing delegates to National Conference. We shall look for a large attendance.

SINCE our last report, N. C. Nielson, Herrington, Kan., and Lydia Fox, Miamisburg, Ohio, pledged, \$5.00 each, to sustain the Theological Department in our school. A sister whose name is withheld, also paid \$1.00, and promises to pay the same for five years.

THERE is not room for all the Church News this week. Had it come in a little earlier, it could have been published instead of some selections, which were already in type, when the church news reached us.

IN this issue will be found a brief biography of brother P. J. Brown, accompanied by his portrait, which we feel our readers will appreciate. There appears also two short biographies of two worthy workers in the King's Children Society, one of whom is deceased. The two latter were prepared for the K. C. paper, and by permission of Brother Talley are inserted in the EVANGELIST.

WE are requested to announce through the EVANGELIST, that brother Layton Phillips, whose postoffice address is Waynesburg, Green county, Pa., is no longer a member and minister in the Brethren church.

BRETHREN J. C. Mackey, Harvey Berkeley and sister Mary Williams have been elected delegates to the National Conference by the Meyersdale congregation, and sister Mackey has been chosen to represent the S. S. C. E.

BROTHER Jesse Calvert, of South Bend, Ind., says "The church is doing well here; our Sabbath-school is large; the King's Children societies are growing in interest; baptized one sister yesterday, and several more are near the kingdom."

OUR people are being fully awakened to a sense of their duty in reference to the work of the National Conference. We are pleased to find so much interest manifested everywhere. The program will be reprinted next week, and the work of the Conference kept before our people.

WE have on hand for next week, "At the Conference," by J. M. Bowman, and "Conference Thoughts," by J. C. Cassel. That is right brethren, "keep at it." An exchange of ideas on the work of the Conference will the better prepare our hearts and minds for it, when it comes.

THE K. C. society and the S. S. C. E. should each have one full day at the Conference. Will they get it? The K. C. has asked for its day and announced the program. The S. S. C. E. has not yet asked for anything, but then our sisters are quite modest, and we should not wait for their asking, but *offer* them the time and place they so richly deserve.

IF there is one virtue that should be cultivated more than another by him who would succeed in life, it is punctuality; if there is one error that should be avoided it is being behind-time.—F. Hunt.
